

ASSISTANT PROJECT MANAGER

Aquatic Development Group (ADG) is a recognized National and International, Award Winning Leader in the Planning, Design, and Construction of aquatic based Family Entertainment, Leisure, and Recreational Facilities. As an industry leader for 40 years, ADG has focused on innovative design and construction, resulting in numerous successful recreational facilities in locations throughout the United States for clients such as Sea World, Disney, Six Flags, Wet 'n Wild and Paramount, just to name a few.

Successful candidate must have the following qualifications and experience:

- Position prefers a two year Construction Management/Engineering degree or an equivalent combination of training and experience.
- Strong Organizational skills.
- Strong written and verbal communication skills.
- Must be proficient in Microsoft Project and MS Office software

Duties will include but not limited to assisting the Project Manager in scheduling, subcontractor coordination, submittals, change orders, RFI's, material ordering. You will also be responsible for interacting with architects, subcontractors, owners and engineers.

Since our construction projects are located throughout the United States, some travel will be required to attend periodic site meetings. ADG offers competitive benefits. Salary commensurate with experience.

ADG is located in the Albany Capital District/Hudson River Valley Region of New York State, the gateway to the Adirondacks and less than 3 hours from New York City, Boston, and Montreal. For additional information, visit the career section of our website at: www.aquaticgroup.com.
