

CONSTRUCTION ESTIMATOR TRAINEE

Aquatic Development Group (ADG) is a recognized national and international, award-winning leader in the planning, design, and construction of aquatic-based recreational facilities and the manufacture of commercial pool equipment. As an industry leader for 40 years, ADG has focused on innovative design, engineering, and construction techniques resulting in unique, imaginative, playful, and fun waterparks and water attractions. Completed and current project locations include: Australia, China, and Japan, as well as locations throughout the United States and Canada. Our Client list includes: Sea World, Disney, Six Flags, Wet 'n Wild and Paramount, to name a few.

We are willing to coach the right individual as an Estimator Trainee for both concept/, design and cost analysis reports for ongoing and completed projects. Will be responsible for updating and maintaining construction databases. Must have strong computer skills and be proficient in Microsoft Excel. Will be trained in Precision Estimating, Access and Timberline software. Prefer a person with a background in accounting or cost accounting.

ADG is located in the Albany Capital District/Hudson River Valley Region of New York State, the gateway to the Adirondacks and less than 3 hours from New York City, Boston, and Montreal. For additional information, visit our website for background on our company at: www.aquaticgroup.com.
