

AQUATIC  
DEVELOPMENT  
GROUP, INC.

**Senior Architectural/Aquatics Coordinator (Cohoes, New York)**

Aquatic Builders Ltd. is a recognized National and International, Award Winning Leader in the Planning, Design, and Construction of aquatic based Family Entertainment, Leisure, and Recreational Facilities. As an industry leader for 40 years, Aquatic Builders has focused on innovative design resulting in numerous successful recreational facilities in locations including Australia, China, and Japan, as well as locations throughout the United States and Canada for clients like Sea World, Disney, Six Flags, Wet 'n Wild and Paramount, to name a few.

Individual will be involved in the design and construction of complex water-based recreational facilities throughout the country. Candidate will receive training in aquatics piping system design. Duties include coordination and preparation of detailed drawings of aquatics piping, structural/civil/site features, mechanical and architectural systems of buildings and water attractions. Integrate and coordinate building systems and aquatic features to assure constructability.

Master's degree in Architecture, Building Sciences or Architectural Engineering required.

Aquatic Builders offers competitive benefits and is dedicated to the spirit of teamwork and the intellectual growth of its staff. Aquatic Builders is located in the Albany Capital District/Hudson River Valley region of New York State, the gateway to the Adirondacks and less than 3 hours from New York City, Boston and Montreal.
