

# AQUATIC DEVELOPMENT GROUP, INC.

## SENIOR ARCHITECTURAL SPECIALIST

Aquatic Development Group (ADG) is a recognized national and international, award-winning leader in the planning, design and construction of indoor & outdoor aquatic based family entertainment, leisure and recreational facilities. As an industry leader for 40 years, ADG has focused on innovative design, engineering and construction techniques resulting in unique, imaginative, playful and fun water parks and water attractions.

ADG is seeking an individual to provide technical and mentoring support to our architectural studios. Strong technical and organizational skills are a must. Candidate will act as a resource to the studios guiding the development of construction details and coordinating with MEP consultants and field personnel.

### MUST HAVE:

- Architectural Licensing
- Experience managing design project with a construction value over six million dollars
- Good understanding of field construction operations including field inspections
- Excellent technical background relating to project detailing
- Experience managing multiple projects
- Good presentation and writing skills for communication with clients and review agencies
- Building Code Experience

### Should Have:

- Hands on construction experience
- AutoCad experience
- Experience with electrical, plumbing and mechanical disciplines in order to converse intelligently with consultants and contractors
- Design/Build experience

### Preferred:

- Microsoft Project software Experience.

ADG offers competitive benefits and is dedicated to the spirit of teamwork and the intellectual growth of its staff. ADG is located in the Albany Capital District/Hudson River Valley region of New York State, the gateway to the Adirondacks and less than 3 hours from New York City, Boston and Montreal. For more about ADG visit our website [www.aquaticgroup.com](http://www.aquaticgroup.com).
