

**AQUATIC
DEVELOPMENT
GROUP, INC.**

CONSTRUCTION

Aquatic Development Group (ADG) is a recognized National and International, Award Winning Leader in the planning, design and construction of aquatic based recreational facilities and the manufacture of commercial pool equipment. As an industry leader for over 40 years, ADG has focused on innovative design, engineering, and construction techniques resulting in unique, imaginative, playful, and fun waterparks and water attractions. Completed and current project locations include: Australia, China, and Japan as well as locations throughout the United States and Canada. Our client list includes: Six Flags, Disney, Kalahari Resorts, Wet 'n Wild, Cedar Fair, and Wilderness Resorts to name a few.

Superintendent

The successful candidate must have the following qualifications and experience:

- Minimum of 2-5 years field experience.
- Strong management and organizational skills.
- Oversee the daily on-site construction of the project assigned.
- Managing/directing multiple subcontractors.
- Strong written and verbal communication skills.
- Should be proficient with Microsoft Project and Microsoft Office software.
- Must have specific experience in concrete and utility construction.

Since our construction projects are located throughout the United States, some travel will be required to attend periodic site meetings.

ADG offers competitive benefits and salary commensurate with experience. ADG is located in the Albany Capital District/Hudson River Valley region of New York State, the gateway to the Adirondacks and less than 3 hours from New York City, Boston, and Montreal.
