Job Position: Field Service Technician

About the Company

Aquatic Development Group (ADG) is one of the leading aquatic venue specialty design-build firms and manufacturers of wave and surf experiences. For more than 50 years, we have partnered with top water parks, resorts, developers, and entertainment brands to deliver innovative aquatic experiences around the globe. Our clients include SeaWorld, Six Flags, Dollywood, Marriott, Hyatt, Gaylord Resorts, and many others.

We are seeking a skilled technician/mechanic to join our field installation and service team. This full-time position is based out of our Cohoes, NY office.

Successful candidates must have the following qualifications and experience:

- Strong mechanical skills. Electrical controls and/or welding experience are a plus.
- Equipment installation
- Ride equipment starts up
- Stainless steel fabrication
- Troubleshooting
- Ability and willingness to travel extensively throughout North America, as required. This position requires up to 75% travel either regionally or long distance for up to two weeks at a time. Travel expenses paid.
- Some international travel will be required – valid passport a plus.
- Valid driver's license is required.
- Ability to read and understand technical drawings and prints.
- Generate daily field reports and job-site photos.
- Be able to identify work progression conflicts
- Onsite communications
- Short- and long-term goals for completing work
- Must be willing to work as a part of a team, independently and/or supervised.
- Self-motivated
- Professionally representing ADG onsite to our clients
- Be able to solve problems
- Must be willing and able to work outdoors in varying weather conditions.
- Must be comfortable using Microsoft Office software.
- Must be legally authorized to work in the United States

Why ADG?

Our team members are hardworking, dedicated and highly respected within the industries that we serve. Our reputation has been built on delivering creative and innovative solutions with a "whatever it takes" approach to client satisfaction. The foundation of our success has been built

upon the talents and integrity of our employees, and we value the contributions of every team member.

As you help build ADG's success, we are committed to helping you build a prosperous and successful future. We offer challenging career opportunities, competitive salaries, and a comprehensive suite of benefits to promote health and financial security for you and your family.

Every ADG employee is empowered to act in ways that make each day better, whether that's lending a hand to a colleague or bringing forward a new client solution or process improvement.

Individually and collectively, our work achieves results that make a difference — for our clients, our clients' customers, and ourselves.
