

Position: Traveling Shotcrete/Concrete Superintendent
Department: Construction
Reports to: General Superintendent
Salary: \$80-90K

About the Company

ADG is one of the world's most respected water park and aquatic venue design, construction, and manufacturing firms in the industry offering a comprehensive range of products and services that continue to set the standard throughout our industry. Our commitment to innovation, creativity, and high-quality work is reflected in everything we do, whether that's manufacturing a single component for a wave system or building a complete 20-acre waterpark.

As part of our team, you will have the opportunity to be a part of some of the most dynamic and creative projects taking place in the industry today. While ADG's headquarters is located in Upstate New York, our projects span the globe. And our client list features the best of the best, including Sea World, Six Flags, Wet n' Wild, Dollywood, Marriott, Hyatt, Gaylord Resorts, Hollywood movie productions, and much, much, more.

ADG is a high energy work environment with fast paced deadlines. You are right for our team if you are a proactive problem solver with attention to detail, able to maneuver multiple projects at once and can easily handle multiple and often shifting priorities and get great satisfaction on a job well done!

About the Role

As a Traveling Shotcrete Superintendent you will oversee the shotcrete/concrete crew.

Key Responsibilities

- Supervise shotcrete/concrete crew to ensure all work is properly coordinated and placed.
- Work with Project Superintendent to schedule and plan out concrete placement sequence for the project you are on.
- Report to General Superintendent, on the progress of concrete placement on the projects you and your crew are assigned.
- Train/Develop personell that are part of your crew.
- Participate in daily/weekly job scheduling meetings chaired by the project superintendent

Qualifications

- The position requires a minimum of 5-7 years shotcrete/concrete field experience.
- Must be a self-starter with the ability to work independently and the flexibility to work cross-functionally as a team member with our engineering, construction groups.
- Able to meet tight deadlines and work in a fast-paced environment with changing priorities.
- Ability to develop and maintain effective internal and external working relationships at all levels.
- Excellent time management, organization and priority defining skills, with exceptional ability to listen, communicate (written and oral) and strong willingness to collaborate.
- Our projects are located throughout the United States, all candidates must be willing to travel. Superintendents are expected to work 3-4 weeks (depending on job schedule) between paid travel home.
- Must be legally eligible to work in the US.

Why ADG?

Our team members are hardworking, dedicated and highly respected within the industries that we serve. Our reputation has been built on delivering creative and innovative solutions with a “whatever it takes” approach to client satisfaction. The foundation of our success has been built upon the talents and integrity of our employees, and we value the contributions of every team member.

As you help build ADG's success, we are committed to helping you build a prosperous and successful future. We offer challenging career opportunities, competitive salaries, and a comprehensive suite of benefits to promote the health and financial security for you and your family.

Every ADG employee is empowered to act in ways that make each day better, whether that's lending a hand to a colleague or bringing forward a new client solution or process improvement. Individually and collectively, our work achieves results that make a difference — for our clients, our client's customers, and ourselves.

Benefits

- Generous Paid Time Off
- Company Paid Holidays

- Comprehensive health care insurance plan that covers medical, dental, prescription, and vision.
- Competitive 401(k) program with employer matching contribution.
- A positive work environment
- And much, much more
