

ABOUT ADG

**THE COMPLETE SOLUTION
TO DESIGNING & BUILDING THE WORLD'S MOST SUCCESSFUL WATER PARKS**

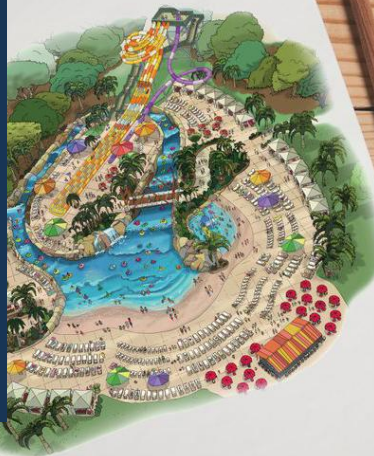

THE COMPLETE SOLUTION

to meeting all your project needs

the complete solution – this is not a phrase that we take lightly.

To us, it's not about selling a single product or service. It's about delivering a complete solution that considers all aspects of your project from start to finish — balancing the fun with the fundamentals.

**WE KNOW WHAT SUCCESS MEANS.
WE KNOW WHAT IT LOOKS LIKE.
WE'VE BEEN THERE – WE'VE DONE IT.
AND WE CAN'T WAIT
TO DO IT AGAIN.**

we understand what it takes to make a water park work.

For over 50 years, ADG has been driven by the desire to create great projects and foster even better relationships. The reason that our company has cultivated an over 75% repeat client base is due to our ability to deliver projects that truly achieve our client's goals.

we work hard. we work smart. we deliver projects that succeed.

No two projects are the same, and no one solution meets everyone's needs. Our depth and breadth of experience afford us the ability to creatively develop and manage a program, from concept through to completion, specifically tailored for your success.

COMPLETE SOLUTION OPTIONS

A TAILORED APPROACH TO MEET YOUR NEEDS

01

master planning

A ROADMAP FOR YOUR PROJECT that provides a complete plan to address all aspects of the project, from design and ride mix to capacity and area development — providing a guaranteed price for the design & build of aquatic features.

02

program management

STREAMLINED COORDINATION of the entire project process to ensure efficient execution across all program elements as they relate to achieving both short and long term goals. *A unique program offering available only from ADG.*

03

design build

COMPLETE PROJECT SYNERGY from concept to completion between design, engineering & construction. This option ensures 100% oversight and execution of all specialty construction with fixed costs and timelines.

04

international design-supply

CAPITALIZE ON OUR EXPERTISE in design, construction and specialty product manufacturing. You receive a comprehensive package that includes all of the necessary drawings, documents and equipment your builders need.

WHAT WE CREATE

FEATURED PRODUCTS

made-in-america quality assurance & expertise

ADG WAVES

From wave pools and rivers, to surf pools and water rides, to aquarium exhibits and movie sets, ADG leads the industry with dynamic, innovative wave systems designed for every application.

EPICSURF

Real surfing, with real surfboards, on a real wave of water! Epic Surf is the only stationary surf wave manufactured in the USA with an adjustable wave that's ideal for beginners and experts alike.

WATER RIDES

The only all-inclusive solutions to designing and building the optimal water ride attraction, from wave rivers and skill based adventure rides, to specialty designed wave pools and lagoons.

WHERE *Creativity*
& TECHNOLOGY MEET

FOCUSED ON SUCCESS

Our InDepth process serves as the foundation for a true partnership that enables us to go beyond the edge of the pool and evaluate every project in the context of your business as a whole. We weigh design, function and cost aspects to arrive at the optimal result, not only for the experience of your guests, but for your bottom line as well.

This business-focused perspective puts ADG at the forefront of forging new avenues for delivering recreational attractions and venues that draw more visitors and drive greater profitability.

EXPERIENCED. SMART. FLEXIBLE.

Our vertical integration between master planning, design, construction, and manufacturing is unique in the industry. It allows us to be smarter. To build on our knowledge and experience. And to apply those learnings as we develop plans to address your complete project — from scheduling and financing constraints, to design elements and building needs.

Our customized project approach and variety of project delivery options allow you to work with ADG based on your specific needs and resources. No other company in the industry offers greater flexibility with project planning and follow-through, from concept to completion than ADG.

AN IN-DEPTH FOCUSED APPROACH

customized to your project

The Team

ADG's leadership team comprises some of the most experienced and innovative experts in the industry.

Forming the cornerstone of what we do and who we are, they have pioneered our InDepth™ philosophy which governs our commitment to consistently deliver the highest quality products, exemplary service, and expert design and management to our clients.

OUTDOOR WATERPARK

INDOOR WATERPARK

RESORT WATERFRONT

SOAKY MOUNTAIN

SEVEIRVILLE, TN

ADG PROJECT SCOPE: Design/Build Outdoor Water Park

SIZE: 50-acre outdoor water park

BUILD TIME: 12 months

FEATURED AQUATIC ATTRACTIONS

A 35,000 sqft wave pool with 6' high waves

24,000 sqft Tidal River with 3' roller waves

A side-by-side inflatable water obstacle course

Double FlowRider® surf ride

Over a dozen water slides supplied by ProSlide, including two of the world's first: A mini 'Kid's WAVE' & 'Avalaunch' Water Coaster

SOAKY MOUNTAIN WATERPARK is a \$90m water park that opened in 2020 and features some of the most cutting-edge attractions in the industry. Built at the base of the Smokey Mountains, the build of this project faced a mountain of challenges:

1. A steeply graded slope that required 75,000 tons of earth to be moved.
2. The rainiest season on record resulting in over two months with no heavy equipment operation.
3. A worldwide pandemic with quarantine and social distance guidelines to work around.

Regardless of the environmental conditions, site complications, and unprecedented COVID-19 circumstances, ADG completed Soaky Mountain within a build time of 12 months. A feat that is a testament to the ADG Design/Build process and allowed Soaky Mountain to be constructed and open a season earlier than originally planned.

"ADG got us open a season earlier than expected, met our budget, and gave us the direction we needed to create this incredible park!"

Tim Gantz

Owner, Soaky Mountain Waterpark

KARTRITE RESORT

MONTICELLO, NY

ADG PROJECT SCOPE: Design/Build Indoor Water Park;
Program Manager for entire resort project

SIZE: 2-acre indoor water park plus 324 room hotel

BUILD TIME: 12 months

FEATURED AQUATIC ATTRACTIONS

- FlowRider® Double surf ride
- RAPID™ Fast action river
- Tadpole Bay™ kid's play area
- Multi-level play structure
- Five water slides
- Texlon® ETFE Roofing System

A Leading Edge Award Winning project, the **KARTRITE RESORT & INDOOR WATERPARK** features a luxury hotel experience that includes a state-of-the-art, two-acre indoor waterpark supporting 324 exquisitely designed guest suites.

ADG served as the **DESIGNER, BUILDER, AND PROGRAM MANAGER** for the entire project, including development and oversight of the water park and all adjacent spaces including lobby, F&B, FEC, conference center, outdoor recreation and room configuration.

"With Kartrite and their portfolio of other successful properties, we know we made the right choice in choosing ADG as our partner. They are first class, best in the country."

Greg Silver
President & CEO, EPR Properties

OUTDOOR WATERPARK

INDOOR WATERPARK

RESORT WATERFRONT

ISLAND H2O!

KISSIMMEE, FL

ADG PROJECT SCOPE: Design/Build Outdoor Water Park

SIZE: 12-acre outdoor water park

BUILD TIME: 12 months

FEATURED AQUATIC ATTRACTIONS

- 24,000 sqft split beach wave pool
- 1,300 sqft lazy river
- 2,500 sqft formal adult pool
- Tadpole Bay™ kid's play area
- Aqua Playland™ active play area
- Over 10 major water slide attractions

Situated on 12 acres, **ISLAND H2O Live!** is Orlando's newest waterpark and serves as the main focal point of the new Margaritaville Resort.

DESIGNED & BUILT to stand apart in a market overcrowded with amusement options, Island H2O pays tribute to an unhurried, relaxed feel with a design that emphasizes spacious decks and wide tropical paths. Private cabana options, bright & colorful landscaping, and interactive technology stations incorporated throughout make a visit to this park a truly unique.

"ADG incorporated an incredible variety of attractions into their design at Island H2O Live! including family raft rides, a wave pool, lazy river, kid friendly experiences and more."

Jim Kunau
General Manager, Island H2O Live!

OUTDOOR WATERPARK

INDOOR WATERPARK

RESORT WATERFRONT

GAYLORD PALMS

NASHVILLE, TN

GAYLORD OPRYLAND®

RESORT & CONVENTION CENTER

Nashville

ADG PROJECT SCOPE: Design/Build Indoor and Outdoor Water Parks

SIZE: 4-acre outdoor & indoor water park

BUILD TIME: 12 months

FEATURED AQUATIC ATTRACTIONS

- FlowRider® Double surf ride (indoor)
- Aqua Playland™ active play area (indoor & outdoor)
- Fast action river and wave river rides (indoor)
- Adult-only formal pool (indoor & outdoor)
- 23,000 sqft dual beach wave pool (outdoor)

SOUNDWAVES INDOOR & OUTDOOR WATERPARK at the Gaylord Opryland Resort marks a distinctive turn in the world of resort water experiences and marks the fifth time the Gaylord brand has partnered with ADG.

DESIGNED & BUILT as a single-phased expansion, this four-acre, 3-level, upscale indoor and outdoor water park features dedicated recreation zones for adults, teens, young children and families that seamlessly blend together yet provide unique appeal to each.

"SoundWaves is the fifth project we have worked on with ADG. They are a partner we turn to for our resort projects because of their innovative products, high service levels & unique approach to the design-build process."

James Chamblin
VP of Design/Construction, Ryman Hospitality

OUTDOOR WATERPARK

INDOOR WATERPARK

RESORT WATERFRONT

KINGS DOMINION

DOSWELL, VA

ADG PROJECT SCOPE: Water Park Renovation

SIZE: 1-acre renovation

BUILD TIME: 5 months

FEATURED AQUATIC ATTRACTIONS

- New multi-level play structure with 200 play features
- ADG's Mini Harbour™ kids miniature wave pool with 12" waves
- New lounge, expanded deck area with shade
- New food and beverage stations

KINGS DOMINION & SOAK CITY WATERPARK wanted to replace an existing, secondary wave pool and construct a multi-level play structure to better appeal to families with young children.

ADG utilized creative design and engineering to rework the park's underused 35,000 sqft wave pool to incorporate a new play structure and a miniature wave pool within the existing footprint all within the same project timeframe and budget. ADG maximized the project's potential and completed a **RENOVATION THAT DELIVERED.**

"The investment at our Coconut Shores kids area at Soak City offers a high-quality experience for our guests of every age. It's our mission to bring joy to our guests and we believe our 2020 water park enhancements will go a long way to doing just that."

Tony Johnson
General Manager of Kings Dominion
