MINI HARBOUR®

KID-SIZED WAVE POOL FOR
FAMILY-SIZED FUN

Active and passive play features come together perfectly in this unique kid focused, family-centric, shallow-depth multi wave pool attraction. Kids can jump, play and splash the time away while parents watch from the comfort of wide, low-set seating creating the perfect ocean oasis — designed for kid sized fun and adult sized comfort!

Features

- Gradual beach entry with wall seating throughout
- Two wave zones with gentle, 1-1.5 ft kid-sized waves
- Interactive spray features and mini slide area
- Center island play zone with adult seating

Benefits

- Destination area for the entire family
- Wide beach area increases capacity for deck chairs and cabanas
- Customizable play features and interactive add-ons
- Easily access children from wall seating and platform areas
