# TIDAL RIVER®

TIDAL WAVE RIVER WITH FAST WATER MOTION AND  
BEACH ENTRY WAVE POOL

Our unique configuration powers both a zero-depth entry wave pool and a fast paced action river with better efficiency and unequalled wave performance! From gentle family recreational waves in the shallow wave pool to fast-paced and exciting wave action in the wider pool and river channel, this ride offers something for everyone.

## Features

- 3' spilling waves every 10 to 15 seconds
- 600 ft long adventure river component with fast water motion
- Wide entry river channel for easy, fast access
- Shallow-play wave pool entry eliminates lines

## Benefits

- Fully accessible, multi-experience adventure river ride for the entire family
- Expand decking for lounging, F&B and retail
- Optional childrens play area with expanded beach zone
- Add on slide component or play structure to center island
