TWIN TIDES®

DUAL-BEACH, DUAL-ENTRY WAVE POOL
PROVIDES MAXIMUM CAPACITY

Easily access the wave pool from either end and offer your guests a one-of-a-kind experience as they swim through the currents. A 4ft shallow swim area and gradual beach entry makes this pool easily accessible to all for the ultimate in family recreational fun.

Features

- 2' high-frequency diamond waves
- Easy walk through access from end to end
- Shallow depth, gentle wave action suitable for all guests
- Gradual beach entry on both sides

Benefits

- Destination setting - greatly appeals to the whole family
- Extra deck space for additional lounge area
- Add on entertainment area perfectly suited for a Multi-Level Play Structure
- Compact fit for smaller footprints with double the capacity
