

H2OBX WATERPARK Powell's Point, NC

CHALLENGE

Design and build a unique waterpark with a classic coastal theme and resort-style feel. Include new innovative rides in a themed environment designed to create the optimal waterpark experience for guests of all ages.

SOLUTION

Drawing on decades of experience ADG's team designed H2OBX with exceptional attention to detail and distinctive features that guests of every age and interests could enjoy in a relaxing, resort-style setting. The many first-to-market attractions at H2OBX offer cutting-edge innovation and rider excitement for all ages.

Twin Tides™ Wave Pool delivers an ocean-simulated current, featuring dual beachfront entrance points on opposite ends. Deep Six Adventure Lagoon™, a skill based attraction by ADG, features climb, crawl and balance soft mat obstacles and swim zones. Additional attractions include a FlowRider®, multiple slide complexes, a fusion waterslide with aqua-lucent lighting, river rides, and Calico Jack's Cove, an immersive, multi-level, pirate-themed, play structure.

RESULT

Built by ADG in under 6 months, H2OBX debuted in June 2017, and has received rave reviews for its innovative mix of resort-style layout and thrilling attractions. The park will be open through Labor Day and is expecting to draw guests from all over the east coast.

"I'm extremely proud of the talented and diligent team at ADG and the work put forth by so many others who have created such a unique waterpark. H2OBX is incredibly innovative because we had the full force of the industry's best people behind it."

-Ken Ellis, Co-Owner of H2OBX
