

Position Title: Architect / Planner

ADG is seeking an Architect/Planner to join our team in Albany, NY!

Aquatic Development Group (ADG) is a recognized leader in the planning, design, and construction of indoor and outdoor waterparks and aquatic features as well as the manufacture of specialty leisure and entertainment equipment. For more than 50 years, ADG has focused on innovative product systems and designs to create facilities for clients such as Sea World, Disney, Six Flags, Wet 'n Wild, Paramount, and countless other clients worldwide.

This position plays a key role in the design, place making and architectural development of themed indoor and outdoor waterparks, immersive creative attractions, resort and amusement environments. ADG is a high energy work environment with fast paced deadlines. Applicant must be a proactive problem solver with attention to detail, able to maneuver multiple projects at once, and have a love of playful design and an energetic spirit.

Role: Project Designer
Department: Project Planning & Development
Reports to: Manager of Architecture and Planning

Responsibilities:

- Develop both computer and hand-rendered plans, perspectives, site sections, elevations, and details based on design direction given by manager and others
- Experience in developing site element detail drawings
- Create waterpark and resort master plans at scale showing the relationship between the major park attractions, support facilities, retail components, parking and landscaping
- Conceive and develop indoor and outdoor park features and imagery according to a theming concept
- Express ideas quickly and powerfully using hand and computer drawings, sketches and graphics
- Create presentation booklets to support project features including plans, studies, diagrams and imagery

Qualifications & Experience:

- Minimum 3 years of experience in a similar design position – no specific waterpark experience required
- Bachelor or Masters Degree in Architecture, Landscape Architecture, Planning, or similar
- Applicant must be a self-starter with the ability to work independently; flexibility to work as a team member with our architects, engineers, manufacturing specialist, planners, sales/marketing and construction managers a plus
- Able to meet tight deadlines
- Must be able to hand sketch and render colored plans, elevations / perspective vignettes
- Solid knowledge of site grading and utility coordination
- Knowledge of graphic software such as AutoCAD, SketchUp, Adobe Suite (InDesign, Photoshop, and Illustrator) and Microsoft Office

AQUATIC DEVELOPMENT GROUP

P.O. Box 648 | 13 Green Mountain Drive, Cohoes, NY 12047 | 518.783.0038 | aquaticgroup.com

- 3D modeling including Revit and 3D rendering experience is required
- Ability to develop and maintain effective internal and external working relationships at all levels
- Excellent time management, organization and priority defining skills, with exceptional ability to listen, communicate (written and oral) and strong willingness to collaborate
- MUST BE already legally eligible to work in the US

ADG offers a competitive benefits package including 401k with matching, medical, dental and vision insurance. Salary commensurate with experience. Please include salary requirement in your response to jobs@aquaticgroup.com and **reference Job AP0721**.
