

Director of Construction

ADG is seeking a Director of Construction to join our team in Albany, NY!

Aquatic Development Group (ADG) is a recognized leader in the planning, design, and construction of indoor and outdoor waterparks and aquatic features as well as the manufacture of specialty leisure and entertainment equipment. While ADG's headquarters are located in Upstate New York, our projects span the globe. Our client list includes Sea World, Disney, Six Flags, Wet n' Wild, Dollywood, Marriott, Hyatt, Gaylord Resorts, Camelback Resort, Kalahari Resorts, Hollywood movie productions and more.

If you are interested in exploring an exciting opportunity and have a desire to be a leader in our industry, please submit your resume. ADG offers competitive wages, benefits and is dedicated to the spirit of teamwork.

This position plays a key role in the management of the Construction Department. ADG is a high energy work environment with fast paced deadlines. Applicant must be a proactive problem solver with attention to detail, able to maneuver multiple projects at once, and get great satisfaction on a job well done.

Role: Director of Construction
Department: Construction
Reports to: VP of Design and Construction

DUTIES & RESPONSIBILITIES

- Provide effective leadership to all construction team members.
- Supervise both field and in-house staff to ensure all projects are carefully coordinated to ensure successful completion.
- Overseeing coordination and selection (w/ Project Managers) of subcontractors and vendors.
- Oversee tracking and controlling construction schedules and the associated costs for achieving project completion within budget and time allotted.
- Reporting to senior management on the progress of projects and the financial standing/profitability of the projects.
- Overnight stays/travel is required for site visits and meetings.

QUALIFICATIONS & EXPERIENCE

- Minimum overall of 10 years experience in Water Park and Pool Construction. Minimum of 5 years (hands on) field experience and 5 years in a managerial position.
- Bachelor degree or similar education in Construction trade is helpful but not required.
- Applicant must be a self-starter with the ability to work independently; flexibility to work as a team member with our architects, engineers, manufacturing specialist, planners, sales/marketing and construction managers a plus
- Able to meet tight deadlines
- Ability to develop and maintain effective internal and external working relationships at all levels
- Excellent time management, organization and priority defining skills, with exceptional ability to listen, communicate (written and oral) and strong willingness to collaborate
- MUST BE already legally eligible to work in the US

ADG offers a competitive benefits package including 401k with matching, paid time off, medical, dental and vision insurance. Salary commensurate with experience. Please include salary requirement in your response. If emailing, send to: jobs@aquaticgroup.com and reference Job ID: DC1121.
