

Position: Assistant Project Manager  
Department: Project Management  
Reports to: Director of Operations  
Post Date: 08/15/2022

---

### About the Company

ADG is one of the world's most respected water park and aquatic venue design, construction, and manufacturing firms in the industry offering a comprehensive range of products and services that continue to set the standard throughout our industry. Our commitment to innovation, creativity, and high-quality work is reflected in everything we do, whether that's manufacturing a single component for a wave system or building a complete 20-acre waterpark.

As part of our team, you will have the opportunity to be a part of some of the most dynamic and creative projects taking place in the industry today. While ADG's headquarters is located in Upstate New York, our projects span the globe. And our client list features the best of the best, including Sea World, Six Flags, Wet n' Wild, Dollywood, Marriott, Hyatt, Gaylord Resorts, Hollywood movie productions, and much, much, more.

ADG is a high energy work environment with fast paced deadlines. You are right for our team if you are a proactive problem solver with attention to detail, able to maneuver multiple projects at once and can easily handle multiple and often shifting priorities and get great satisfaction on a job well done!

### About the Role

As an Assistant Project Manager, you will report to the Director of Operations and act as the team member assisting our internal team of Project Managers.

### Key Responsibilities

- Assist Project Management team with coordination and providing clear documentation of all aspects of multiple equipment manufacturing projects from inception to close out.
- Prioritizing new project schedules
- Provide weekly updates to Project Management team with production and project priorities
- Attend weekly project meetings and keep detailed meeting minutes for distribution
- Assist with contract interpretation

## Qualified candidates should offer the following experiences and skills

- Position prefers a 2-year degree or certificate in a related field, and/or experience – will train a suitable candidate
- Ability to assist in managing multiple project schedules simultaneously
- Effectively communicate with internal departments and external clients
- Ability or willingness to learn how to read and interpret project drawings
- Detail oriented
- Strong organizational skills
- Must be proficient in Microsoft Office software
- Able to meet tight deadlines and work in a fast-paced environment with changing priorities.
- Ability to develop and maintain effective internal and external working relationships at all levels.
- This is an on-site position that will be based in our headquarters in Cohoes, NY
- Must be legally eligible to work in the US

## Why ADG?

Our team members are hardworking, dedicated and highly respected within the industries that we serve. Our reputation has been built on delivering creative and innovative solutions with a “whatever it takes” approach to client satisfaction. The foundation of our success has been built upon the talents and integrity of our employees, and we value the contributions of every team member.

As you help build ADG's success, we are committed to helping you build a prosperous and successful future. We offer challenging career opportunities, competitive salaries, and a comprehensive suite of benefits to promote the health and financial security for you and your family.

Every ADG employee is empowered to act in ways that make each day better, whether that’s lending a hand to a colleague or bringing forward a new client solution or process improvement. Individually and collectively, our work achieves results that make a difference — for our clients, our client's customers, and ourselves.

## Benefits

- Generous Paid Time Off
- Company Paid Holidays
- Comprehensive health care insurance plan that covers medical, dental, prescription, and vision.
- Competitive 401(k) program with employer matching contributions
- Daily “business casual” dress code
- And much, much more
