

**Position:** Project Manager  
**Department:** Construction  
**Reports to:** VP of Design & Construction  
**Post Date:** 8/15/22

---

## About the Company

ADG is one of the world's most respected water park and aquatic venue design, construction, and manufacturing firms in the industry offering a comprehensive range of products and services that continue to set the standard throughout our industry. Our commitment to innovation, creativity, and high-quality work is reflected in everything we do, whether that's manufacturing a single component for a wave system or building a complete 20-acre waterpark.

As part of our team, you will have the opportunity to be a part of some of the most dynamic and creative projects taking place in the industry today. While ADG's headquarters is located in Upstate New York, our projects span the globe. And our client list features the best of the best, including Sea World, Six Flags, Wet n' Wild, Dollywood, Marriott, Hyatt, Gaylord Resorts, Hollywood movie productions, and much, much, more.

ADG is a high energy work environment with fast paced deadlines. You are right for our team if you are a proactive problem solver with attention to detail, able to maneuver multiple projects at once and can easily handle multiple and often shifting priorities and get great satisfaction on a job well done!

## About the Role

As a Project Manager you will report to the VP of Design & Construction and act as the Manager for all assigned Construction Projects, from bid preparation, to final acceptance of project, by customer.

## Key Responsibilities

- Scheduling
- Cost Accounting
- Bidding
- Contract Buyouts
- Quality Control

- Material Take-off's (as needed)
- Interaction with Architects, Engineers, Owners, and Subcontractors, as needed
- Any other duties that are necessary, in order to ensure that Project is completed on-time, and within Budget.

### Qualified candidates should offer the following experiences and skills

- Position prefers a four year Construction Management/Engineering Degree, plus a minimum of 4 years Construction Management Experience, or an equivalent combination of training and experience.
- Strong Management and Organizational Skills
- Project Management and Budgetary Control
- Must be proficient in Timberline, Microsoft Project, and MS Office Software
- Applicant must be a self-starter with the ability to work independently and the flexibility to work cross-functionally as a team member with our engineering, planning/design, manufacturing, construction, marketing & sales departments.
- Able to meet tight deadlines and work in a fast-paced environment with changing priorities.
- Ability to develop and maintain effective internal and external working relationships at all levels.
- Excellent time management, organization and priority defining skills, with exceptional ability to listen, communicate (written and oral) and strong willingness to collaborate.
- This is an on-site position that will be based in our headquarters in Cohoes, NY, however, since our projects are located throughout the United States, some travel will be required to attend periodic site meetings.
- Must be legally eligible to work in the US.

### Why ADG?

Our team members are hardworking, dedicated and highly respected within the industries that we serve. Our reputation has been built on delivering creative and innovative solutions with a “whatever it takes” approach to client satisfaction. The foundation of our success has been built upon the talents and integrity of our employees, and we value the contributions of every team member.

As you help build ADG's success, we are committed to helping you build a prosperous and successful future. We offer challenging career opportunities, competitive salaries, and a

comprehensive suite of benefits to promote the health and financial security for you and your family.

Every ADG employee is empowered to act in ways that make each day better, whether that's lending a hand to a colleague or bringing forward a new client solution or process improvement. Individually and collectively, our work achieves results that make a difference — for our clients, our client's customers, and ourselves.

## Benefits

- Generous Paid Time Off
- Company Paid Holidays
- Comprehensive health care insurance plan that covers medical, dental, prescription, and vision.
- Competitive 401(k) program with employer matching contributions
- Daily dress code of "business casual"
- A positive work environment
- And much, much more
