

Position: Business Development Manager – ADG Wave Systems
Department: Business Development
Reports to: Director of Business Development
Post Date: 08/15/2022

Aquatic Development Group (ADG) is making more waves and we are in search of an adventurous and creative salesperson to lead our growth strategy.

After 50 years in business ADG remains the North American leader in waterpark and wave pool system design manufacturing and construction, having designed and built countless iconic waterpark projects and one-of-a-kind wave systems throughout North America and around the world. Yes, if you've ever been in a wave pool, boogie boarded on a FlowRider or floated down a lazy river...ADG probably built it.

If widgets or software sales opportunities don't inspire you, and you're ready to join a team that delivers fun, excitement and great memories to millions of adventure seekers and families...consider joining ADG.

About the Company

ADG is one of the world's most respected water park and aquatic venue design, construction, and manufacturing firms in the industry offering a comprehensive range of products and services that continue to set the standard throughout our industry. Our commitment to innovation, creativity, and high-quality work is reflected in everything we do, whether that's manufacturing a single component for a wave system or building a complete 20-acre waterpark.

As part of our team, you will have the opportunity to be a part of some of the most dynamic and creative projects taking place in the industry today. While ADG's headquarters is located in Upstate New York, our projects span the globe. And our client list features the best of the best, including Sea World, Six Flags, Wet n' Wild, Dollywood, Marriott, Hyatt, Gaylord Resorts, Hollywood movie productions, and much, much, more.

ADG is a high energy work environment with fast paced deadlines. You are right for our team if you are a proactive problem solver with attention to detail, able to maneuver multiple projects at once and can easily handle multiple and often shifting priorities and get great satisfaction on a job well done!

About the Role

As Wave Systems BDM you will report to the Director of Business Development and be responsible for managing our existing pipeline of projects while developing new opportunities in the US and abroad.

Key Responsibilities
